View Your New DVR On A Smart Phone

1. Download the app "SUPER LIVE PRO" from your phones app market / app store.

2. Once the app SUPER LIVE PRO is installed, open Super Live Pro.

3. On the Login Screen, please enter the following information:

SERVER: _____

ACCOUNT: _____

PASSWORD: _____

4. Click on "Remember Server" the first time you login.

5. Now click on the "Login" Button.

6. You will now be logged into your DVR. Click on the "LIVE" button to view your camera's live.

Note: The next time you want to view your cameras open the app SUPER LIVE PRO and click on the triangle on the right side of the "Server" input field. This will bring up a list. Click on your DVR and click "Return" on the top left. This will now bring you back to the Login screen and all your DVR information will appear in the fields. You may now follow steps 5 and 6 to view your cameras.
